Apr 13, Heather rated it it was amazing Shelves: With the right diagnosis and treatment suited to Jaimie, this family finally felt hope.

You'd follow your gut and fight until someone listened. Reviewed in association with

A very interesting and informative book about Sensory processing disorder. Christine Windhorst marked it as to-read Jul 20,

Amazon Giveaway allows you to run promotional giveaways in order to create buzz, reward your audience, and attract new followers and customers. This memoir validated the overwhelming feelings I went through myself with my own daughter's struggles with her SPD. Written by a parent this book is, above all, for parents.
