As he steps over the line between right and wrong, suddenly, he doesn't know who he is anymore. Highly intelligent, she is able to compartmentalize to a point where little escapes her mental process. Alexa Actionable Analytics for the Web. Myonlycritiqueistheexplanationofeverymajorterm.Itsunavailablefor Strong female main character with strong mysterious male ,if not at first realized, love. When the day is done, Helen finds herself in an even more vulnerable position and seemingly on a collision course with the consequences for breaking the law in the past. Getting away from murder and mayhem proves much more difficult for Helen Eriksson, who still plans to repay those responsible for ruining her life. RatingsandReviews757starratings7reviews.Hey all... Just a quick note to anyone reading my books on a Kindle e-reader, I am no longer selling books through Amazon. The race is on to figure out who the killer is, and how the crimes are committed before it happens .
