Roger Scruton, in his book Beauty returns to a modified Kantianism with regard to both beauty and sublimity, enriched by many and varied examples. At latest by the eighteenth century, however, and particularly in the British Isles, beauty was associated with pleasure in a somewhat different way: It is worth saying that Santayana's treatment of the topic in The Sense of Beauty was the last major account offered in English for some time, possibly because, once beauty has been admitted to be entirely subjective, much less when it is held to rest on a sort of mistake, there seems little more to be said.
