Towhit, "Ultimately, people don't buy what you do; they buy why you do it. In this book she shows how to build a faithful following and beat the competition clamoring for people's attention by continually delivering value - when, where, and how people want it. People want to be heard, to be involved, to be entertained, to be adventurous, to be informed.

I believe this book offers a high degree of value and should be added to your reading list.

Jo Martin does an excellent job weaving personal stories, examples and core PR tips together to construct a straightforward guide on how to use social media in a professional environment. Want to Read Currently Reading Read.
