Talking to herself, mostly through lilting melodies, she sang: I was quite excited, so began to dance a step or two. They seemed a bit fuzzy on the camera screen.

Why did all of these thoughts keep moving through my mind? The orbs are so prett Above Alex began to catch a wonderful stream of beautiful forms and shapes. We decided not to wait for the doctor's office to open but to leave immediately heading towards the emergency room.

In the light of the flash from her third shot, approximately 4. And sure enough I am in the NOW—with just a pleasant feeling of being and floating—I take a deep breath of love, fill my body with that, and then breathe out a bubble of light and love around me. Elegant, evocative travel on land, sea and air both past and present.
