I run through some of my stretches while I wait patiently for nobody and I do what I [...]. Thursday, September 13, September 13,

Now our water pressure is fine. In addition to helping with Ken, Katie also helped. We five people spent an hour trying to decide what and how to proceed. When the children are here we climb the lighthouse to blow the fog horn but now we walk around admiring the scenery before sitting for our goodies.

We all went to sleep, hoping the well would recover overnight. In the summer here enough, the water ran from the taps in the morning. For the first time, the universities are evaluating the level of wells around the province.
