Leading behavioral experts across the social sciences consider  
important policy problems. Gerber ; Perspectives on  
disagreement and dispute resolution: They give depth and  
insight into the methods of behavioral research, and highlight  
how this knowledge might influence the implementation of  
public policy for the improvement of society.

If time permitted, I would go through each of the chapters but Shafir's intro  
me on this computer. He refers to a "landscape change"  
occurring at the turn of the century in how behavioural work  
influenced policy, in particular referencing the Save More  
Tomorrow work of Thaler and Benartzi and talks about the  
development of Nudge.
