The Gentle Wisdom of Natural Infant Hygiene by Ingrid Bauer - makes elimination communication sound very appealing, although a heavy up-front commitment. The book is really good at introducing EC as something that you I have to say that I would never have picked this book up based on the title I really appreciated that, unlike many parenting books, this isn't all-or-nothing.

Aren't Indian grandmas onto something? Here's my conclusion after reading it. It's broken down into manageable chapters, and is only pages long. A friend's wife had this on her goodreads, so I decided to go ahead and see what it was . The practice can be done full-time, part-time, or just occasionally. Thanks for telling us about the problem.
