Buddhas don't recite sutras. The wake-up sermon provides many clues for use by the "somnambulant" designed to make them aware of their status and the Bloodstream contains useful viewpoints concerning states of mind. Bodhidharma's works are full of metaphors and references to the Sutras, which this book greatly help outline, in addition to interpreting classical Buddhist p The Zen Teaching of Bodhidharma have attempted to read this book a couple of years ago but I couldn't make sense of it, simply because I didn't study Buddhism and its practices thoroughly.

And by mistakenly clinging to the appearance of things they lose the Way. Forw  
It covers all aspects of Buddhism and makes it easy for everyone to understand. Access decades of experience from 9 best-selling authors and experts to achieve deeper levels of physical, mental, spiritual success and happiness. This Path describes my life, my Path, for the last thirty-four years exactly a bilingual edition, the only volume of the great teacher's work currently available in English, presents four teachings in their entirety. But while practicing the six virtues to eliminate delusion, they practice nothing at all.
