Nixon's intention to sail his vessel under the British flag, as there would be She Whalers in Andover, Massachusetts. Only Scotchmen and Norwegians are following this bottle-nose fishery, because Americans have not yet found it. In the last century, and the first half of this, the chief whaling grounds were the seas which wash the coast of Greenland on the north, where the right whale abounded, and the South Pacific and Indian oceans, where the sperm whale was .
