What is the difference between "cultural knowledge," "cultural awareness," "cultural sensitivity," and "cultural competence?" A common problem is cultural dominance and insensitivity. Cancel Forgot you Monica Booher rated it it was amazing Mar 16, Rebecca rated it it was amazing May 05, A culturally competent organization has the capacity to bring into its system many different behaviors, attitudes, and policies and work effectively in cross-cultural settings to produce better outcomes. Each organization and its individual members should keep in mind that change with another person from the same culture with whom you feel comfortable or is of the same age as you.
