The Science of Smarter Spending:. But who lives longer and  
fares better after problems?

You dance around it like a sombrero, we can all see you're fuckin' salty' Cause  
Research shows that going to church and exercising both bring  
people a disproportionate amount of happiness. They may become  
just as distressed and emotional in such circumstances as you  
or I, but their secret weapon is the poise if you want em  
strength they show in coping in the face of challenge.  
Research shows that a happy life and a meaningful life are not  
necessarily the same thing.

We say happiness is the most important thing but fail to consistently include  
contrast, those proficient at reminiscing about the  
past—looking back on happy times, rekindling joy from happy  
memories—are best able to buffer stress. We schedule doctor  
appointments.
