My Life: A Spoken Autobiography by Fidel Castro

The Autobiography of Fidel Castro Paperback - December 6, An audacious "biography" of the ex-president of Cuba told in Castro's own outrageous, bombastic voice. Prize-winning author and journalist Norberto Fuentes was once a revolutionary: a writer with privileged.

Beneath the shade of a tamarind tree in bloom. My father was smoking under the tamarind tree while the women skinned the animals and peeled the cassava.

A friend gives me three books as examples—The Autobiography of Alice B. Toklas by Gertrude Stein, Memoirs of Hadrian by Marguerite.

Cuban dictator Fidel Castro was born near Birán, Cuba, in Beginning in Castro and his forces began a campaign of guerrilla.

In November Castro visited Chile where Marxist President Salvador Allende had been elected as the head of a left-wing coalition. On each trip, he was eager to visit factory and farm workers, publicly praising their governments; privately, he urged the regimes to aid revolutionary movements elsewhere, particularly those fighting the Vietnam War.

As I said, obviously exaggerated, in an extremely comical way. And my father has tall rubber boots on and his guayabera is lightly, but visibly, stained with coffee. His memories of Che and Fidel's discussion of ethics both in war and in peace are exemplary.

There were two over and they also were instrumental pushing for the shutting off any military equipment and arms to the Batista government. The US was so paranoid about the spread of communism, that it was intent on destroying the revolution that freed Cuba of

Batista, just as the US intervned in Chile and Guatemala by assassinating Allende and Arbenz.
