Cyanotype - Wikipedia

The goal of this instructable is to explain the cyanotype process. Cyanotype is a super easy (and cheap) photo printing process that you can do at home with a few special materials. Cyanotype is an old monochrome photographic printing process which gives a cyan-blue print.

Cyanotype: step into the blue and see the world in a new light

In this digital world, there is a beauty in getting back to basics. Which is why I've come to participate in a cyanotype workshop led by.
