Is it enough to have one sale to a library and then allow it to be multiply lent out? One person found this helpful. That means your fav.

Of all the conclusions in the Attributor study, this one seemed the most outlandish.

How long does it take to download and how much technical expertise is required? What has it done to me?

I generally only upload content that I have scanned, with some exceptions. Would you like to tell us about a lower price?
