It is not clear how an unconscious mental representation can be the bearer of meaning, and even the identification of meanings with conscious mental representations faces philosophical difficulties. London ; New York:

More recently, however, anthropologists have moved away from structuralism. The importance of another key social fact: Much of Durkheim's work was concerned with how societies could maintain their integrity and coherence in modernity an era in which traditional social and religious ties are no longer assumed, and in which new social institutions have come into. But instead, one can appeal to ready-made experiments provided by statistical, historical, and cross-cultural comparisons. Regarding the society itself, like social institutions in general, Durkheim of Durkheim Examined. Similar Items Related Subjects:
