Section 3 of the Local Government Act reflects a more modern style of legislative drafting by providing a clear purpose for the Act: This has seen TLAs, in developing their Long-Term Council Community Plans, adopt a leadership role but also reach out and work closely with their communities to achieve their goals. This was seen to be a way of ensuring a sound social infrastructure and a high level of social cohesion of which safety was a .

WellingtonCity-ledbytheWellingtonCityCouncil, but involving Police, C This led to a realisation that to implement and maintain initiatives to address safety in Wellington City, a much closer collaboration between central and local government was essential. This was seen to be a way of ensuring a sound social infrastructure and a high level of social cohesion of which safety was a .

Safety is also enhanced when people feel proud of their community and have a safe community. Research has shown that in a successful community safety programme, there is only a short delay between the inception of prevention and control measures and decreases in injury rates. Safe Communities is a WHO concept, which recognises safety as a universal concern and a responsibility for all Nilson
