The Game is a mental game where the objective is to avoid thinking about The Game itself. Thinking about The Game constitutes a loss, which must be.

14 hours ago The tale of a Staten Island woman making waves in the big city was a major hit and scored six Oscar nods, but how do its sexual politics.

A game, The sole object of which is to not remember that you are playing it. As soon as you remember that it exists, you have lost and must start again.
