The scale encourages teachers, student teachers, school managers and school governors to reflect on the factors influencing the working atmosphere in the classroom. The scale is designed to get teachers to think about: They are 'chase me' behaviours designed to push your buttons and gain a furious response. It'snotabouttryingtogetdownwiththekids. Embellish your countdown with clear instructions so that students know what is expected and be prepared to modify it for different groups: . Behaviour management tip 1 Get in and get out quickly with your dignity intact We know that to effectively deliver sanctions the message needs to be simple, clear and non-negotiable; in practice it is easy to get caught up in a lengthy argument or confrontation. Topics Pupil behaviour Mortarboard blog. AddtoWishList.They will grow used to your interventions in social areas and your presence will slowly have an impact on their behaviour. It is often said that getting down to students' eye level is important when delivering praise or sanctions to students.
